History

The Garden Club of Indian River County was first organized in 1928. It became a member of the Florida Federation of Garden Clubs in 1933 and continues to honor and support the mission and purpose of the local, state and national gardening clubs through education and participation.

Garden Center

The Garden Center is located at 2526 17th Avenue, 32960, and has a large meeting room, kitchen, sunroom, office, library, and a private garden that is maintained by members.

Mission and Purpose

The Garden Club of Indian River County seeks to further the education of its members and the public in gardening, floral arrangement, horticulture, and landscape design. It endeavors to enrich and beautify Indian River County through various projects, and to study and assist in the protection and conservation of native plants and natural resources.

Organization

The Garden Club of Indian River County is a member of the National Garden Clubs, Inc. (www.gardenclub.org) and the Florida Federation of Garden Clubs (www.ffgc.org) which is divided into Districts throughout the state. The Garden Club of Indian River County is a member of District X along with Okeechobee, St.Lucie, Martin, Palm Beach,

The Orange Blossom, *Citrus sinensis*, has been the Florida State flower since 1909.

Membership

The Garden Club of Indian River County has 225+ members and comprised of 9 Circles, those members are all Indian River County residents. Members are encouraged to serve on committees and who are expected to assist and participate in major activities throughout the year. After attending at least one Circle meeting, membership is approved by Circle members. Annual dues are approximately \$65.00 but may vary from Circle to Circle.
